What does Route 148 cost each year?

- Municipal tax: about $135 a year (estimate). The roll value times 2.0181 per $100: the town's 2024 global effective tax rate (3.0489), lowered for the 51% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- Transfer duties (“welcome tax”): at least $36 if the property were sold in 2026. Worked out as the roll value × 1.08 (the town's 2026 comparative factor) = $7,236, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).
