What does Lac Ruby cost each year?

- Municipal tax: about $38 a year (estimate). The roll value times the town's 2025 global effective tax rate (1.6406 per $100). That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- School tax 2026-2027: about $0 (estimate). Worked out as the roll value × 1.27 (the factor the MAMH published for 2026), less the first $25,000, at 0.07899 per $100, the single rate set by the Government of Québec. The real bill starts from the “adjusted” uniformized value: when a new roll takes effect, the rise or fall is phased in over a few years, so the bill can differ from this estimate.
