## What does 2815589 cost each year?

- Municipal tax: about $10 a year (estimate). The roll value times 0.3794 per $100: the town's 2025 global effective tax rate (0.4941), lowered for the 30% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.
