What does Rang York cost each year?

- Municipal tax: about $1 a year (estimate). The roll value times 0.7489 per $100: the town's 2024 global effective tax rate (0.7649), lowered for the 2% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.
