What does Rang Double cost each year?

- Municipal tax: about $34 a year (estimate). The roll value times 1.1671 per $100: the town's 2025 global effective tax rate (1.4514), lowered for the 24% rise in all values in town since then. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.
