What does Route 295 cost each year?

- Municipal tax: about $3 a year (estimate). The roll value times the town's 2025 global effective tax rate (1.5385 per $100). We do not have enough past values to check whether values in town have moved since. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.
