What does 2E Rang cost each year?

- Municipal tax: about $241 a year (estimate). The roll value times the town's 2025 global effective tax rate (1.2681 per $100). We do not have enough past values to check whether values in town have moved since. That rate is an average over every kind of property, not the residential rate on your bill; fixed fees and the school tax are not included.

- Transfer duties (“welcome tax”): at least $104 if the property were sold in 2026. Worked out as the roll value × 1.10 (the town's 2026 comparative factor) = $20,900, at the 2026 provincial brackets (0.5% up to $62,900, 1% up to $315,000, 1.5% above). The real base is the higher of the price and this amount; some transfers are exempt (for example between spouses or parent and child).
